Reminders

With the colder, wetter weather please
remember to send the children in with
suitable named clothing, wellingtons,
coats, hats and gloves

Please ensure that children always have a
set of spare clothes. There are many
reasons a child may need to be changed
during the day from water play to spilt
drinks to messy play etc

Sickness and Diarrhoea

Please remember that children MUST be
clear from the last incident of sickness or
diarrhoea for 48 hours before returning to
nursery

SEND Information Day

Please see the poster at nursery regarding
a SEND information day that will be taking
place at Noadswood School on Saturday
24th March from 10 am – 3 pm

Fun at Home and Out and About

We love hearing about what the children
have been doing at home and when they
are out and about and would actively
encourage you to share your children's
learning on their tapestry account.

If they had fun out and about in the
recent snow, we would appreciate being
able to see what they did.

Topics - Spring

The pre-school children have been
noticing changes in the environment so to
encourage this and further their learning
and development, we are currently
offering opportunities that enhance this
topic.

Parent Questionnaire

Please find attached a copy of a parent
questionnaire that we would appreciate
you completing and returning to us. This
can be via e-mail or if you would like to do
so anonymously, you can print it off and
there will be a box in reception.
