## Reminders

Please ensure that children always have a set of spare clothes. There are many reasons a child may need to be changed during the day from water play to spilt drinks to messy play etc

## Warm weather reminders

Please can we ask that parents apply sun lotion at home before children attend. Staff will 'top up' throughout the day as necessary but a lot of staff time is spent applying lotion in the morning before the children can go out and enjoy the sunshine.

Can you also supply your child with a sun hat and dress in suitable clothing. Bare shoulders burn easily and children can find it hard to run around and enjoy themselves in some open toes shoes and flip flops.

## Sickness and Diarrhoea

Please remember that children **MUST** be clear from the last incident of sickness or diarrhoea for 48 hours before returning to nursery

## New Forest Family Support

We have received an information pack from The New Forest Family Support. They can offer help and advice on a number of concern from parenting, challenging behaviour, eating, sleeping, separation and anxiety, toileting and personal hygiene. If you would like more information or a referral form, please see Tracy.

## Parent Questionnaire

Thank you to everyone who has returned their questionnaire and the feedback received. Please find the results attached

## Parents evening

Dates for these are now available. Sign up sheets will be available nearer the time. We would encourage all parents to take this opportunity to have a 10 minute catch up with their child's keyperson

## 2 year checks and settling in meetings

We will be operating a new system in the nursery where by you are welcome to make a 10 minute appointment to come in and see your child's keyperson when they have been with us for about 6 weeks. Staff will also be offering meetings when they have completed a 2 year check. Please speak to a member of the management team to arrange these appointments.
